

Post Date: January 18, 2016

Position: Physiotherapist

Description

Located in Carleton Place, ON, the Collaborative Care Centre at Heritage Fitness is adding another physiotherapist to our team to support client demand.

The successful applicant is focused on providing an exceptional experience to our patients, professional, and passionate about his or her craft.

You will work with another physiotherapist as well as our team of doctors, therapists, and rehabilitative personal trainers. We are a collaborative team. Patients are often referred to another internal practitioner for care should it be of benefit to that patient.

The physiotherapist is responsible for completion of professional activities that include: assessment, treatment, education, and management of clients requiring intervention.

Qualifications

- B.Sc. (P.T.) or equivalent
- licensed by the College of Physiotherapists of Ontario
- well-developed communication and interpersonal skills
- ability to work in a team environment
- strong time-management and organizational skills

What We Offer

We want you to focus on patient care. By working with Heritage Fitness, you will work in a professional environment and receive access to the following:

- opportunities for flexible scheduling
- professional support staff to book appointments, process invoices, and collect payments
- an education allowance
- web-based scheduling software
- paperless treatment notes
- fully-furnished treatment room
- positive, caring, and supportive work environment
- external and internal marketing support
- two complimentary gym memberships
- signing bonus provided for the right candidate
